(D) Student Grant (2023/24 School Year)

Student Grant is a one-off student grant of \$2,500 for each secondary day-school, primary school and kindergarten student. The student grant is non-means-tested.

Application Arrangements

➤ Starting from the 2023/24 school year, EDB will introduce electronic submission of student grant applications (e-submission) in public sector schools and DSS schools. To cater for the needs of individual parents, apart from making e-submission, parents can still choose to return the completed paper application form to schools for onward submission. However, only one application, either in electronic form (e-form) or paper form, can be submitted for each eligible student. Please note that Paper Form will not be provided to students who have submitted an online application.

➤ e-Submission

Starting date of e-platform: to open at 6:00 a.m. on 14 September 2023

Closing date of e-platform: to close after 11:59 p.m. on 2 October 2023

➤ Paper Application

Date of distribution of paper application forms: to be distributed through Class Teacher on 6 October 2023 (Friday)

Date of submission of paper application forms: to be submitted to Class Teacher by 12 October 2023 (Thursday)

- Please note that the applicant of the grant must be the parents or the guardian of the student no matter in e-form or paper form. The information of the parents or guardian must be the same as the information given in the Student Record Form. If the applicant’s information is not the same as the Student Record Form, the parents or the guardian should submit an authorization letter stating the authorizer’s name with ID card number, the authorized person’s name with ID card number, and the reasons for authorization. The letter should be signed by both the authorizer and the authorized person. A copy of identify card of the authorized person should also be attached in the letter. If an authorization letter was submitted last year, there is no need to submit another one given that no amendment needs to be made.

Relevant Arrangements of e-Submission

- Starting from the 2023/24 school year, parents/guardians (hereinafter referred to as “applicants”) may submit online applications for the student grant for students studying in public sector schools and DSS schools. Applicants must have a user account of “iAM Smart+” with digital signing function. They may log in to the online service of “e-Submission of Student Grant Applications” via the “iAM Smart” App directly, or scan the QR code or log in to the e-submission platform (e-platform) via the link below to submit online applications.

Student Grant e-Submission Platform

(Link: <https://stgsesweb.edb.gov.hk/>)

For details of “iAM Smart” registration, applicants are advised to visit the thematic website at <https://www.iamsmart.gov.hk>.

- Applicants should read carefully the “Guidance Notes” on the e-platform. Applicants who received the student grant in the 2022/23 school year are “Continuing Applicants”. “Continuing Applicants” will be given a pre-filled e-form when their identity has been successfully verified with a one-time verification code. They are only required to check the pre-filled information of the student and the applicant therein and fill in the class name of the student, and then make an e-submission with digital signing. “Continuing Applicants” may amend the information on the e-form if necessary. If the student is newly admitted to a school or has transferred to another school, the “Continuing Applicant” has to select the name of the new day-school in the pre-filled e-form. New applicants or applicants whose identity cannot be successfully verified through the e-platform are required to fill in a blank e-form. Before making the submission, applicants should check the accuracy of the information provided, especially the name of the school, so as to avoid delaying the progress of the application due to incorrect information.

<u>Name of School</u>	<u>School Code</u>

- The e-platform will open at 6:00 a.m. on 14 September 2023 and close after 11:59 p.m. on 2 October 2023. Applicants may scan the QR codes below for details on the application procedures and to learn more about how to fill in an e-form:

Distribution of Paper Application Forms and Relevant Arrangements

- For the Application Forms, there are **Form B** and **Form A**. Form B is pre-printed with the basic information of the student as well as that of the applicant while Form A is a blank form.
- The EDB will inform parents of the status of their application via SMS and/or email as appropriate.
